**Planning Outlook**

**All mountain areas of Britain from Monday, 29 July, 2024**

Extensively fine, very warm and light wind until mid week, although cloudy with a little rain NW Scotland on Monday. Remaining warm with mostly light wind later in the week, but bursts of sometimes thundery rain increasingly likely - at this stage uncertain as to the areas most affected.

**Forecast issued at 12:07 on Saturday, 27 July, 2024**

Forecasts are issued daily by 16:30 and are kept under review and amended as necessary. However, expected conditions can still change after issue. © Copyright Mountain Weather Information Service, 2024.
