**Planning Outlook****All mountain areas of Britain from Thursday, 17 September, 2020**

Commonly dry through the weekend into early next week as high pressure resides across northern Britain. Mostly light winds, but occasionally gusty easterlies England & Wales late Friday into Saturday. Many mountains often clear, but areas of lingering low cloud will vary across Britain from day to day as wind direction fluctuates. Fairly warm by day overall, but cool in and around low cloud. Slight frost some nights, mainly Highland glens. Some low-level fog in mornings.

**Forecast issued at 15:44 on Tuesday, 15 September, 2020**
