Temperature (at 600m)	6C, rising to 9C	8C
And in the valleys	4C at dawn, rising to 15C afternoon.	9C from dawn, rising to 15C afternoon.

Planning Outlook

All mountain areas of Britain from Friday, 25 April, 2025

Weak fronts will encroach from the Atlantic by Friday into the weekend, bringing more humid air, with low cloud and patchy rain or drizzle, local showery bursts. Possibility of more persistent rain in western Scotland by Sunday with stronger southwesterly winds for a time. Generally mild, or increasingly warm into early next week as southerly air prevails. High pressure rebuilding with a good deal of dry and sunny weather expected next week into the start of May.
